END NOTE FROM FOUNDER

FOUNDER - & - CEO

श्री गणेश.....

As a Founder – CEO I feel pleased to welcome you all in Poornaposhhanam Foundation.

Poornaposhhanam Foundation believes in Prajñānam Brahma (a mahākāvya of Aitareya Upanishad of Rigveda), which means knowledge is the eye, path and foundation for the attainment of self, consciousness and ultimate & higher truth. In simple words it can be said that knowledge is brahma (the true, ultimate & omnipresent truth).

The inception of Poornaposhhanam Foundation and bringing it to reality was not an easy thing for me, especially in the era of AI, fast-moving technology and when the Bharat (which is now India) is undergoing a sensitive phase of dramatic cultural and nutritional shift and transition.

In my life experiences, I found that knowledge is far different from just a piece of information. Now in the times, when Bharat is re-growing as global leader we Poornaposhhanam Foundation is work for the effective and strongly rooted re-establishment of deep-rooted culture and ancient & vedic knowledge system in various fields from human sciences to societal system to cosmology, along with identifying, recognizing, addressing, nurturing, the challenges of modern post-pandemic era to make lives of people, households and global communities poorna poshit.

Though we are young but have been able to touch people & communities with strong impact with our outstanding and practically applicable & scientifically driven vision, knowledge and practices. We have a profoundly experienced and crisp team which work with dedication, focused vision and resilience. Along with academics & trainings, people with us experience productive and mentally upgrading environment which proves effective & sustainable to themselves, environment and for future positive settlements.

Poornaposhhanam Foundation scouts out-of-box and present & future positive scientific & applicable ancient knowledge system from various parts of Bharat and record the valuable innovations, highlighting their impact on local, national and global communities and their sustainable growth & development.

Poornaposhhanam Foundation is continuing its journey with deep commitment on strong foundation of scientific work and dedicated efforts for sanatan knowledge system for driving impactful social, academic, nourishing and sustainable changes. We work collectively to realize and reflect the vision of Poornaposhhanam Foundation and celebrate and practice the completely nourishing sanatan across nation and globe.

Dr Knishka Siinigh

DIRECTOR

Namaste to all

“वेदोऽखिलो धर्ममूलं स्मृतिशीले च तद्विदम्।
आचारश्वैव साधुनामात्मनस्तुतिरेव च ॥”

Welcome to Poornaposhhanam Foundation – Pragyanam Bhram, an organization which is unique and diverse which focuses on poorna poshhnam i.e. complete nourishment, of body, mind and soul of individuals, community, society and complete humankind and living beings.

In the era of modern science and artificial intelligence making impressive strides in most of the domains, it is essential to understand, absorb and practice the ancient and vedic knowledge, and blend ancient & vedic sciences with recent advanced scientific temperament to enhance the biodiversity, humankind, culture & lifestyle and upcoming generations in all possible ways. At Poornaposhhanam Foundation, we strive to cultivate scientific approach, creativity, re-rooting culture, ancient & vedic sciences, foster collaborations for collective enhancement of people, and drive impactful change through ancient & vedic knowledges & practices intricately and indispensably blended with innovation and modern sciences from daily lives to global communities for sustainable present and future.

Our foundation works with holistic and interdisciplinary work approach and offers various courses, trainings, internships, workshops, etc. and has a dedicated section for research and development intended to cater and bring unique, future-focused and sustainably greater exposure in nutrition and spirituality for the people across globe. Poornaposhhanam Foundation is the first not-for-profit organization which brought Aerospace Nutrition and Cosmology connecting food, nutrition and spirituality by understanding human dynamics and vedic knowledge & practices.

Being a scientific-temperament driven organization since inception of Poornaposhhanam we work dedicatedly with an unwavering commitment to empower communities from grassroot levels across nation and beyond boundaries. Poornaposhhanam Foundation is bringing projects and initiatives which can be joined by everyone. Starting with regular Ved-Parayan & various rituals & vedic practices to practical exposure to understand human body biomechanics & dynamics like in sports nutrition & space nutrition we are spreading out-of-the-box thinking and think tanks to promote innovations rooted with Indian knowledge system.

As a director of Poornaposhhanam Foundation, I take this opportunity to extend my personal invitation to all stakeholders to explore our initiatives, connect and work with our network, and join us for cultivating, developing and practicing consciousness for positive and productive growth and development, as it is my strong conviction that together we can re-root culture and transform ideas into applicable, meaningful and impactful realities.

Acharya Shiv Shivam

WHO WE ARE

Poornaposhhanam Foundation is a non-profit research-driven organization and was established in 2024 in the versatile state and Mahadev's own land of Uttar Pradesh (Bharat). It is focused, committed and dedicated to work in creating, developing and promoting holistic health and sustainable agriculture & environment through integrating and creating a unique indispensable blend of nutrition and spirituality by all possible effective means for people of Bharat and across globe. By emphasizing on nutrition and ancient & vedic sciences, the foundation aims to create, develop and spread knowledge, attitude and practices healthful to combat with ongoing health & nutritional challenges and steep spiritual decline & deprivation in people's lives and global society.

Foundation's activities and initiatives not only focuses on immediate needs, rather it also aims to foster sustainable nutritional and spiritual practices and lifestyles that nurture body, mind and soul, ultimately striving for healthier, more resilient and mind positive society. Through conduction various activities, researches, outreach & educational programs and initiatives, Poornaposhhanam stimulates & cultivates a deeper understanding and practical applicability of how spiritual practices, such as mindfulness & meditation, etc., can strengthen & escalate nutritional choices, health & well-being and vice-versa. By bridging the gap knowledge, attitude and practices in healthful nutrition and spiritual growth, the Poornaposhhanam Foundation seeks to empower individuals and communities to lead balance, fulfilling lives rooted in health, harmony and conscious living.

HISTORY & BACKGROUND

The founding stone of Poornaposhhanam Foundation was laid back in 2019, and with the passage of time with strenuous efforts the visible figure of the foundation came into visibility in 2022 and finally was built in 2024 with a crisp, strong and dedicated team. Poornaposhhanam foundation has its roots deeply embedded in the dual realms of nutrition & spirituality emerged from ancient sanatan culture of Bharat, aiming to foster holistic well-being and spiritually uplifted and stronger individuals and communities.

Established with a clear vision to improve nutritional status and promoting sustainably positive lifestyle, the foundation recognizes the physical, mental, sexual, social & workplace health intricately linked with spiritual growth & wellness. Foundation's inception was inspired by the belief that by integrating cultural diet & nutritional knowledge & practices along with modern sciences and spiritual & scientific teachings of vedas and other shastras & ancient texts, comprehensive approach for nurturing body, mind & souls in these modern times can be sustainably achieved. This unique perspective is informed by a rich tapestry of culture and historical influences, drawing from ancient wisdom of Bharat that emphasizes the importance of Poorna (Complete) Posham (nourishment) for body and soul.

Over the time period, the foundation has engaged in various activities, researches, initiatives and much more, intended to embody POORNA POSHAN through education and practices of positive nutrition and spiritual & vedic knowledge & practices. The foundation's these ideals can be clearly seen and reflected in pronounced ways in all its activities. Through its ongoing efforts, the foundation will continue to inspire and engage its efforts towards true nourishment through complete nutrition and spiritual dimensions.

OUR VISION

Poornaposhhanam Foundation envisages a holistic approach that blends and intertwines the principles and practices of nutrition and spirituality. Our foundation clearly visions and aims to promote comprehensive and scientific understanding of well-being, emphasizing the importance of rightly nourishing the body, while instigating and spiritual growth and positive awareness. Following are the foundation vision –

- To empower individuals & communities to gain harmonious existence.
- By promoting right knowledge, attitude & practices, the foundation seeks to empower individuals and communities to make informed choices & decisions that enhance their physical health & spiritual upliftment.
- The foundation aspires to create and develop nurturing environment where the synergy of nutrition and spirituality can flourish, leading to healthy, positive and productive life for all.

<u>Nutrition</u>	<u>Vedic & Spiritual Sciences</u>	<u>Extension & Outreach</u>
<ul style="list-style-type: none">▪ Launch of India's specialized Certificate course in Space Nutrition focusing on aerospace & aviation nutrition with 1 batch successfully passed out.▪ Started Certificate course in Sports Nutrition education with 1 batch successfully passed out.	<ul style="list-style-type: none">• Quarterly veda parayan to promote vedic recitation and public audio learning of vedas by youth.• Launch of Project - VEDAS as initiative for bringing vedic and Indian knowledge system in daily life practices for all.	<ul style="list-style-type: none">▪ Mountain hiking initiative to promote sports specific health in youth and develop humanistic approach towards collaborative efforts.

COLLABORATIONS & PARTNERSHIP

- **Independent Collaborator**

Ms. Arpi Shah
Mumbai (India)

- **Organizational Collaborators**

OUR RESEARCH ACHIEVEMENTS & PUBLICATIONS

- Research paper presented on "**Cosmology, Human Body & Existence: Nutritional and Sustainability Approach**" at **International Sanskrit Conference (ISC- 2024)** at New Delhi by Head – Dept. of R&D, Poornaposhhanam Foundation
- Research Paper on "**Traditional Flatbreads of Maharashtra: Uniqueness, health and Nutritional Significance**" - Paper Communicated

FUNDING STRATEGIES

Currently organization is working on self-funded financial framework. Soon fund raising strategy framework will be applied for generating funds for more effective and productive team work and output.

Major Fund Raising Framework will Include -

- Courses & trainings programs
- Memberships (various categories are available to avail benefits)
- Special fund raising events
- Collaborations with freelancers, companies, institutions, independent collaborators, etc.
- Research & development and other collaborations
- Donors & Volunteering
- Camps & public lectures
- Social media
- Philanthropic work

UPCOMING EVENTS

- **Official launch of following in 2025 -**
 1. PPF official scientific publication
- Regular Veda Parayan
- Nutrition & Lifestyle Diseases Assessment Camps
- New batches admission opening for certificate courses in Space Nutrition and Sports Nutrition (Level 1)
- **Upcoming New certificate courses in 2025** - Preconception Nutrition, Introduction to Research Methodology, etc.
- **Upcoming Training Programs in 2025** - 5 training programs and workshops will soon be started in 2025.

TESTIMONIALS

I have recently joined this wonderful organization PPF and now officially collaborating with it with a motive to spread knowledge, mentor students and develop more right knowledge equipped youth. My clear idea is to give high social impact through right and scientific knowledge. My passion for teaching and mentoring drove me to join PPF, as I found it as young yet strongly impactful organization promoting and developing advance nutrition knowledge and widening the horizons of nutrition understanding at higher levels.

Arpi Shah

It is a matter of great joy that along with propagating the Vedas through programs like Chaturveda Parayan, Poornaposhhanam Foundation is also working to bring the scientific aspect of the Vedas to the society through research and is connecting modern society with culture and Vedas, which is highly commendable. We thank and wish Poornaposhhanam Foundation for such work and also assure to always provide support in the good work of the Foundation.

**Dr Sudhanshu Tiwari
Secretary - Mahamanna Malviya Foundation**

Poornaposhhanam, whose name itself has the objective of nourishment, is working towards providing complete nourishment to that tree of knowledge. Vedas are the most profound, most ancient and important source of knowledge not only in India but in the entire world and is dedicated to the work of its preservation and promotion and for the complete nourishment of the Vedas. Poornaposhhanam Foundation has been organizing such events in the past as well and we extend our best wishes for the future as well, that they keep serving the Vedas in this way. Working with Poornaposhhanam Foundation gives birth to a wonderful energy. Thank you.

**Acharya Mohan Dubey
Founder - Raj Rajeshwari Pathshala**
